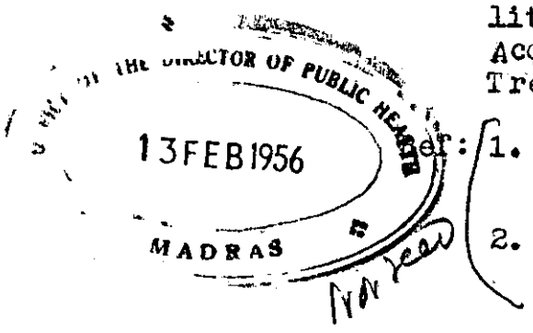
Sir,

Sub: ESTABLISHMENT - Public Health - Udipi Municipality - Sri K. Sheik Mahmood - Health Assistant - Acquiring Sanitary Inspector's qualification - Treatment of broken period - Orders solicited.



Ref: 1. This office R.O.C.No.D1-4682-3/55, dated 27--9--1955 to the Director of Public Health, Madras.
2. R.No.69097-1E3/55, dated 19--11--1955 of the Director of Public Health, Madras.

eg. 10(V) at p.14 (M) In G.O.No.1575, Health, dated 7--5--1951, the Government ordered that persons with local training in vaccination who were holding appointments as vaccinators in a temporary capacity on 15th December, 1950 may be appointed as Health Assistants, subject to their acquiring Sanitary Inspector's qualifications within a period of four years from the date of such appointment. In accordance with these instructions, the Municipal Health Officer in his proceedings R.O.C.No.D1-3540/51-1, dated 14-8-51 appointed Sri K. Sheik Mahmood, a vaccinator in a temporary capacity, as Health Assistant with effect from 15--12--1950, on a pay of Rs.45/- per mensum in the scale of pay of Rs.45-2-55-1-75.

In 1953, Sri K. Sheik Mahmood, Health Assistant was selected for undergoing Sanitary Inspector's course and was relieved on the afternoon of 2--7--1953. He was granted earned leave for 30 days from 3--7--1953. His probation was extended till the expiry of the period allowed to him for acquiring Sanitary Inspector's ~~cou~~ qualification or till he acquired the Sanitary Inspector's qualification whichever was earlier. He was allowed to draw his first increment with effect from 15--12--1951 and his second increment with effect from 15--12--1952 in accordance with instructions contained in G.O.No.2082, Health, dated 30--5--1955 permitting sanction of increments to Health Assistan during their entire period of probation.

After the successful completion of the Sanitary Inspector's course, Sri K. Sheik Mahmood, Health Assistant was appointed to act as Sanitary Inspector in a leave vacancy with effect from 5--8--1954 and he was reverted as Health Assistant on 31--12--54 when the permanent Sanitary Inspector joined duty. Hence the question has arisen as to how the broken period from 2--8--195 to 4--8--1954 should be treated.

Under Rule 23(a)(ii) of the Madras Leave Rules a n nent Government servant in superior service may be granted ext ordinary leave up to a limit of 6 months at any one time. In view of the various advantages which the Government have been pleased to confer upon the Health Assistants and also in view of the fact that Sri K. Sheik Mahmood, Health Assistant acquired Sanitary Inspector's qualification within a period of 4 years from the date of his regular appointment as Health Assistant, I

request that the Government may be pleased to relax Rule 23(a)(ii) of the Madras Leave Rules and treat the period from 2-8-5 to 4-8-54 during which the Health Assistant was undergoing Sanitary Inspector's qualification as extraordinary leave on the analogy of orders passed by the Government in G.O.Ms.No.2501, Health, dated 6--8--1955 in respect of some other Health Assistants similarly selected for training.

Commissioner,
Udipi Municipality, Udipi.

Forwarded,

Chairman,
Municipal Council, Udipi.
